January 13, 2015

Dear Sorority and Fraternity Leaders and Stakeholders:

We are happy to present the summarized academic results from Fall Quarter 2014 SAFE. Congratulations are due to Lambda Theta Nu, a national Latina interest sorority, whose members earned the highest average Spring GPA (3.417), and to Phi Sigma Pi, a national honors interest co-ed fraternity, whose members earned the highest average cumulative GPA (3.357). This is the first time either group has held the top academic spot in the sorority and fraternity community. Please see the tables on the following pages for more detailed information about sorority and fraternity academic performance.

For questions about chapter academic performance and the SAFE Compact, please feel free to contact us directly (Joaquin: 530.752.4606; jbfeliciano@ucdavis.edu / Thomas: 530.752.3828; tewhitcher@ucdavis.edu).
