Burst the Bubble Soccer Tournament

Alpha Sigma Phi is proud to introduce our annual winter philanthropy, Burst the Bubble Soccer Tournament, an organizational bubble soccer tournament available to any organization at UC Davis.

Come to the West Quad on March 10th from 11-2 to watch your favorite organizations battle it out for our national philanthropic organization RAINN.

Registration for a team of four is \$80, and includes a shirt for every member of your team! Shirts also sold separately for \$13.

Everything that we raise will go towards RAINN, the Rape, Abuse, & Incest National Network, which is the largest anti-sexual violence organization in the nation. Money will go towards educating the public on abuse, help survivors of sexual assault, and ensure that perpetrators are brought to justice.

Please contact **Caleb Hill** at calhill@ucdavis.edu to participate in the tournament

Zeta Beta Tau - Get On The Ball

From March 9th-11th, Zeta Beta Tau fraternity will be holding its first annual Get On The Ball philanthropy in support of the Children's Miracle Network Hospitals!

For three days we will be rolling around a giant beach ball across campus in an attempt to get as many people to sign the ball as possible. With each signature comes a larger donation! You can help by pledging to donate signature-by-signature, or you can donate a set value. We hope you will take 30 seconds to stop your bike, walk on over, and show your support for both Children's Miracle Network

Hospitals as well as for your new Greek friends here on campus. Look for us rolling around on campus come March!

- Friday, March 3, 2017 @ 6:00pm - 8:00pm
- Saturday, March 4, 2017 @ 6:00pm - 8:00pm

Through a series of performances, the production of OurStories centers the impacts of gendered violence on the community in order to create visibility, educate, and work to end systems of oppression. Central themes include violence, empowerment, and healing. OurStories serves as a space in which those impacted by gendered violence, and/or those wishing to engage with their narratives through performance can share their stories and connect with other members of the community. OurStories is a space for folk of all marginalized identities (including, but not limited to womxn, trans and non-binary folk) to share their truths, find community through creativity, and engage community in dialogue around creating inclusive space for survivors and marginalized groups.

Originally inspired by Eve Ensler's "The Vagina Monologues," the production of OurStories has changed throughout the years. It has been known as Vagina: HerStories, Vagina: OurStories, and most recently, Vagina*OurStories – these changes to the title have all reflected the efforts of the WRRC to make the performance more inclusive of marginalized gender identities. Given the current and historical context of transphobia in feminist movements, the name change to OurStories seeks to challenge cis-centered narratives surrounding gender. Moreover, the program intends to highlight intersectional experiences in an effort to dismantle all systems of oppression.

Accessibility Information:

- Fragrance Free: we ask you to please not wear scented products.
- Wheelchair Accessible: Veterans Memorial Theater is wheelchair accessible.
- Restrooms: all restrooms will be gender inclusive.
