What is it?

The Adopt-a-Block program gives you the opportunity to beautify and maintain a street within the surrounding community of UC Davis.

Why does it matter?

UC Davis became a smoke- and tobacco-free campus in 2014, resulting in a spillover effect on our campus neighbors. Cigarette butts are the most littered item with over 4.5 million being discarded annually.

Who participates?

All individuals, student groups, organizations, or associations are encouraged to form teams to help keep our campus community clean!
