The Xperience - Don't Forget!

This Sunday, September 18th, on Hutchison Field from 6-10 p.m, The Office of Sorority and Fraternity Life and Athletics will be coming together to host The Xperience on Hutchison Field. At the event, councils and chapters will

have an opportunity to table for their organizations as well as the chance to work alongside members of Athletics to facilitate games and activities for the incoming students to enjoy. The Xperience will be a great opportunity to interact with the incoming classes of 2020 and 2018, so make sure to save the date.

Activity Assignments for those who submitted requests will be sent out today so stay on the look out!
