Learn How to Reserve Space on Campus!

The Center for Student Involvement will be hosting a workshop series for all student org Authorized Reservers to help simplify the reservation process and answer questions.

All current Authorized Reservers should plan to attend a Winter Workshop to ensure reservations requests and event planning goes well for the rest of the academic year. Learn what you need to do to be successful throughout the Reservation Process and clarify questions for stress-free events moving forward!

OnCampus Advertising- Meningitis Awareness Campaign

OnCampus Advertising is looking to partner with a student organization to spread awareness for Meningitis. The idea is for our partner student organization to host a large event in late February or March. Ideas include a row machine contest, tug of war, volleyball or bike-athon. OnCampus Advertising will help promote the event and will pay the student organization as well as cover all fees.

If interested please contact Greg Meighan - gmeighan@oncampusadvertising.com (617) 523-9803

We hope everyone has a safe and relaxing break!

If you need assistance, the Office of Sorority & Fraternity Life will be open through December 21st, and will be open again after January 3rd.
